

Another year nearly over already. It only seems five minutes since September. It has been a very full year with conversion to academy status with the Rose Learning Trust, another great set of results for Year 6 and 2 in their SATs, Year 1 in their Phonics and Reception children in their EYFS assessments. Sports days seemed to go down well with the vast majority of parents with the new format as part of another brilliant Sports Week. Many thanks to Mr Reade for organising it. The Summer Fair was another fantastic success with over £800 raised and we had a wonderful Year 6 Leavers Concert on one of the hottest days of the year. Thank you for all your help and support over the year, it is by working together that we can ensure your child is happy, challenged and making good progress in school. Can I remind you that in September we will be **finishing the school day at 3.00pm**. We have two training days after the summer break so school will re-open for children on Wednesday 5th September. Have a lovely Summer and we will see you in September.

Governor Message

As we approach the end of another school year it's good to reflect on a busy and exciting year. The main highlight was our successful conversion to an Academy in October. This has resulted in strengthening the quality of the learning and development throughout the school and as part of a Multi Academy Trust there is so much support we can give and receive from the other schools. On behalf of the Governors I would like to express our thanks to you, our parents, for your continued support and wish you all an enjoyable summer.

PARKING OUTSIDE SCHOOL

We now have over 400 children in school which is putting yet more pressure on parking outside school. Could I ask that you remain vigilant in not parking on yellow lines and corners and keeping to the speed limit. We have also had complaints from our neighbours about cars blocking their drives and they have started to report these cars to the police so please ensure that accesses are left clear. Many thanks.
